

INTERCOM

<http://www.intercomprehension.eu>

A thick, horizontal yellow bar with rounded ends, positioned below the URL.

INTERCOM – The project

- Lingua 2
- Oct. 2006 – Sept. 2009
- 9 institutions: AT, BG, FR, GR, PT
- Co-ordination: Univ. Salzburg, Univ. de La Réunion, Christian Ollivier

- Product: A website in order to promote the development of receptive plurilingualism
- 4 target languages: BG, DE, GR, PT

Methodological basis

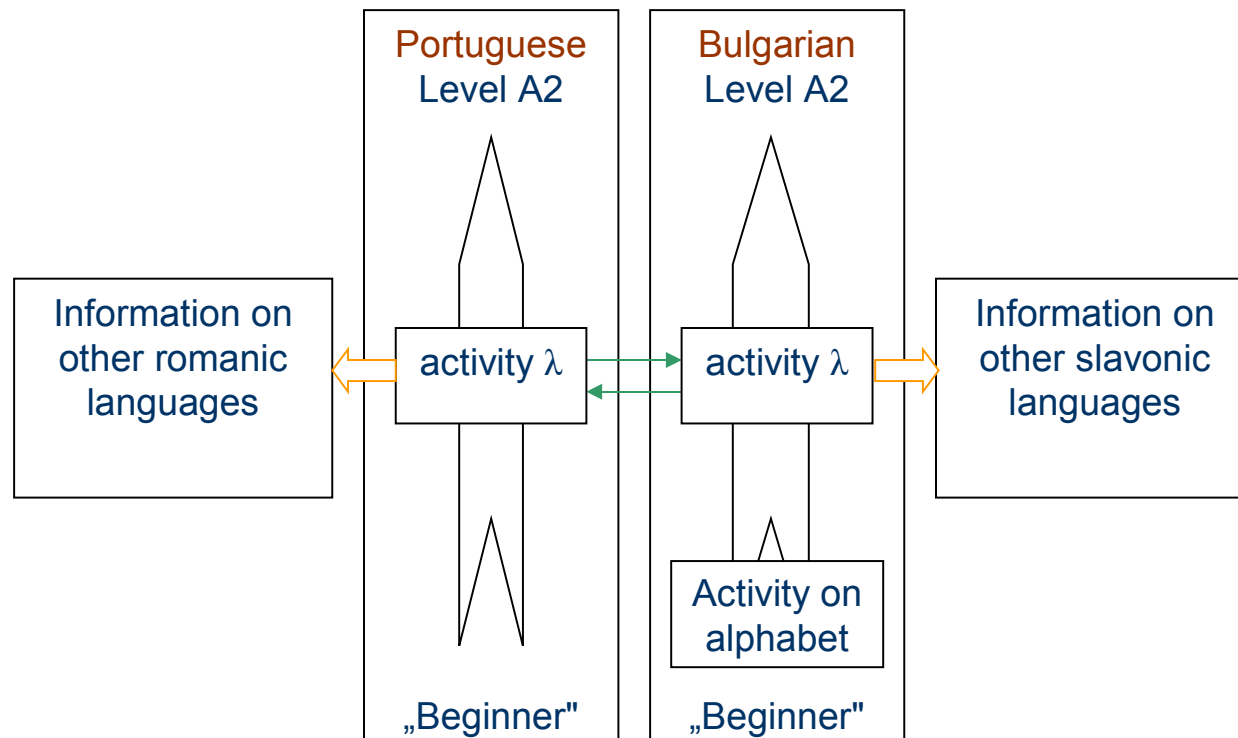

- Intercomprehension is possible even outside of the language families
- Non linguistic strategies can compensate a lack of linguistic knowledge
- Intercom stresses the use and development of non-linguistic knowledge, competences and **strategies**:
 - General receptive competence
 - Textual knowledge
 - Knowledge of the world
 - ...

7 Modules ('Beginner' → Level A2)

- Shopping
- Cooking
- Preparing a travel
- Finding a appartement
- Finding your way

- Discovering new alphabets
 - Bulgarian
 - Greek

Similar activities – Same strategies in different languages

And now the oldest one
